Brand2Wealth

Branding Support for Small Business

Every year, USP organises a seminar which aims to give small business the branding knowledge they need to develop competitive products and services.

Brand2Wealth was established by USP in 2007, and the first edition was held in the Fidelity Bank Training Centre with 55 participants in attendance. Since then the program has been held annually in partnership with Fate Foundation. Other organizations with interest in the development of SMEs have also played various roles in the seminar.

OBJECTIVES OF BRAND2WEALTH

- Empower SMEs with the branding knowledge they need to build competitive businesses and develop strong product and service brands.
- Contribute significantly to the wealth creation capabilities of SMEs with the attendant transformational impact this can have on the economy

Experiential BRANDING

USP has created some of the most memorable brand experience for our clients. We do this by developing event concept, design and implementation. Our strategic branded approach ensures that events effectively reinforce brand identity while achieving an impactful marketing objective.
